INTRODUCTION

1.1 Description of Hill College

Hill College (“HC”) formerly known as Hillsboro Junior College would be one of the first public junior colleges in Texas when it was established in 1923. Its humble first session began with six faculty members and 52 students. In all, 87 students were officially enrolled that first year for at least one term. They enjoyed an impressive new building and overwhelming community support. By 1927, Hill Junior College’s facilities were considered state of the art.

In 1985, the college dropped “junior” from its name, becoming simply Hill College. Today, Hill College has four physical locations: The Hill County Campus, the Johnson County Campus and the Cleburne Technical Center in Cleburne, and the Burleson Higher Education Center in Burleson. Hill College offers job training for entry-level and employed workers. We offer a variety of technical programs for students interested in entering the workforce upon completion. And we offer academic programs for students planning to transfer to four-year institutions. Whatever your goals, we have a pathway for you to achieve your dreams, enrich your well-being, and broaden your career options. In addition to our excellent job training, technical and academic programs, we invite the community to enjoy our performing arts and athletic programs. Each summer we offer Kids College, a fun and engaging summer experience for youth entering 1st through 8th grades.

The faculty and staff of Hill College are steadfast in our dedication to supporting your academic, career, and personal development goals. Our advisors will help you enroll in affordable, high-quality courses that enter you into one of our four academic and career pathways. We believe in your ability to learn and grow through hard work, tenacity, and resilience, with guidance from our talented and nurturing faculty and staff. We are committed to removing barriers and providing innovative and engaging learning environments for you and your classmates from all walks of life. We believe one of the most important aspects of college is that it is a place to have your ideas challenged and your critical thinking sharpened.

We believe it is critically important for you to learn the practices of civic engagement and civil discourse that will broaden your perspectives and prepare you to contribute to our economy and society. Hill College celebrates cultural and ethnic diversity and recognizes that the most important diversity of all – the diversity of ideas – deepens everyone’s experience and supports the public good.

Hill College’s web page is located at <https://www.hillcollege.edu/>.

Delivery Method: Hill College will use the **Competitive Sealed Proposal (CSP)** method for this construction procurement in accordance with **Texas Government Code Chapter 2269, Subchapter D**. The CSP process includes the public opening of proposers’ names, evaluation of both price and qualifications based on the published criteria and weights, and award on a best-value basis.

1.2 Objective of this Request for Proposal

Hill College (“HC”) is soliciting proposals in response to this Request for Proposal, **RFP#**

25/26-002 (RFP) from qualified vendors to provide **comprehensive construction services** for the renovation of the existing Johnson County Campus Technology Building into the new **Hill College Cosmetology and Barber School**. All required services— including demolition, interior build-out, MEP upgrades, equipment installation, exterior improvements, and site enhancements—are further defined in the Scope of Work, **Section 5.4**. included within this RFP.

The objective of this RFP is to procure a contractor with the expertise, experience, and capacity to successfully deliver a complete renovation that transforms the current facility into a modern, code-compliant instructional environment. The selected contractor will be responsible for performing all work necessary to convert the building into a functional cosmetology and barber training facility, including flooring removal and replacement, wall preparation and painting, specialized salon and barber equipment installation, system upgrades, and construction of an outdoor patio area.

Hill College seeks a vendor who can:

- Provide high-quality construction services aligned with industry's best practices and Hill College standards
- Coordinate all trades required to complete the renovation safely, efficiently, and within schedule
- Manage project sequencing, long-lead items, and specialty equipment needs
- Deliver a finished facility that supports cosmetology and barber instruction, student learning, and public-facing services
- Ensure all work complies with applicable building codes, ADA standards, and regulatory requirements

The overarching goal of this RFP is to identify a qualified contractor capable of delivering a fully renovated, durable, and modern educational environment that will support Hill College's career and technical education programs for years to come.

The Contractor shall provide the labor, equipment, and supplies necessary to perform the renovation specified in the RFP.

All information contained in this RFP is believed to be substantially correct. However, the responsibility for determining the full extent of the services required, and verification of all information herein shall rest solely with those making proposals. Neither the College nor its representatives shall be responsible for any error or omission in this RFP.

1.3 Public Information

The proposer is hereby notified that HC strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

HC may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, HC will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-

confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act (Government Code, Chapter 552.001, et seq.)*.

The proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, *Government Code*.

1.4 Contract and Service Agreement

The contractor, if any, will be required to enter into a contract with HC in a form substantially similar to the Proposed Agreement attached to this RFP as **Appendix Two**.

Proposers should be aware that the contents of the successful proposal will become a part of the subsequent contractual documents. Failure of the Proposer to accept this obligation may result in the cancellation of any award.

By submitting a proposal, Proposer further warrants and represents that he/she has become fully acquainted with the conditions, facts, and circumstances relating to providing the services/products required under this RFP. The failure or omission of Proposer to acquaint himself/herself with existing conditions, facts, and circumstances, shall in no way relieve him/her of any obligation with respect to his/her proposal and any ensuing contract.

The services/coverages/products requested are currently anticipated to commence on May 15, 2026.

Each Proposer acknowledges that the College has made a reasonable attempt to provide the Proposer with relevant pricing and exposure data. The Proposer, therefore, waives any right of voidance of the contract based upon any expressed or implied warranty or representation that the pricing or activity data provided discloses all requirements, risks or exposures known to exist in the provision of the services being requested.

1.5 Clarifications and Interpretations

HC may, in its sole discretion, respond in writing to written inquiries concerning this RFP. Only HC's responses that are made by formal written Addenda will be binding on HC. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by HC prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing, and returning the Addenda Checklist (ref. **Section 4 of Appendix One**). The Addenda Checklist must accompany the Proposer's proposal. It is the Proposer's responsibility to make sure they have obtained all addenda. Addenda, if any, can be obtained by emailing kmangum@hillcollege.edu.

1.6 Proposal Evaluation Process

The evaluation of the Proposals shall be based on the requirements and percentages described in **Section 2.3** of this RFP. All properly submitted Proposals will be reviewed, evaluated, and ranked by HC.

HC will select Contractor by using the competitive sealed proposal process described in this Section. All proposals submitted by the Submittal Deadline accompanied by the number of

completed and signed originals required by this RFP will be opened publicly to identify the name of each Proposer submitting a proposal. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the number of completed and signed originals by this RFP will be rejected by HC as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, HC may invite one or more selected Proposers to participate in oral presentations. HC will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

HC may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, HC may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting such negotiations, HC will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At HC's sole option and discretion, HC may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, HC may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, HC will defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, HC reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of HC.

After submission of a proposal but before final selection of Contractor is made, HC may permit a Proposer to revise its proposal in order to obtain the Proposer's **best and final offer**. HC will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. HC is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to HC overall, as determined by HC.

HC reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of HC. Proposer is hereby notified that HC will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by HC.

1.7 HC's Reservation of Rights/Unbalanced Proposal

HC may evaluate the Proposals based on the anticipated completion of all or any portion of the Project. HC reserves the right to divide the Project into multiple parts, to reject any and all Proposals and re-solicit for new Qualifications, or to reject any and all Proposals and temporarily or permanently abandon the Project. HC makes no representations, written or oral, that it will enter into any form of agreement with any respondent to this RFP for any project, and no such representation is intended or should be construed by the issuance of this RFP. Acceptance of a Proposal for consideration does not waive this reservation of rights, nor does it imply any obligation by HC.

If the best proposer's Proposal is significantly unbalanced either in excess of or below reasonable cost analysis values normally associated with the work, the Proposal will be considered non-responsive and will not be considered for award. The College reserves the right to evaluate and determine the next qualified Proposal for consideration of Award.

1.8 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. **Section 1.6** of this Section), [b] the Criteria for Selection (ref. **Section 2.3** of this RFP), and [c] the Proposed Agreement (ref. **Appendix Two**), and [d] all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by HC during this RFP process.

1.9 No Reimbursement for Costs

Proposer acknowledges and accepts that any costs incurred from the Proposer's participation in this RFP shall be at the sole risk and responsibility of the Proposer. Proposer understands and agrees that (1) this RFP is a solicitation for proposals and HC has made no representation written or oral that one or more agreements with HC will be awarded under this RFP; (2) HC issues this RFP predicated on HC's anticipated requirements for the Services, and HC has made no representation, written or oral, that any particular scope of services will actually be required by HC; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

1.10 Eligible Respondents

Only individual firms or lawfully-formed business organizations may apply. (This does not preclude a respondent from using consultants.) HC will contract only with the individual firm or formal organization that submits a Proposal in accordance with the requirements set forth herein.

1.11 Sales and Use Taxes

Section 151.311, Tax Code, amended effective October 1, 1993, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include junior college districts. The section further permits the purchase tax free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is "necessary and essential for the performance of the contract" and "completely consumed at the job site." In addition, the section permits the purchase tax free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

1.12 Certification of Franchise Tax Status

Respondents are advised that the successful respondent will be required to submit certification of franchise tax status as required by State Law (H.B. 175, Acts 70th Leg. R.S., 1987, Ch. 283, p. 3242). The Respondent further agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

1.13 Proposal Validity Period

Each proposal must state that it will remain valid for HC's acceptance for a minimum of one hundred twenty (120) days after the Submittal Deadline to allow time for evaluation, selection, and any unforeseen delays.

1.14 Equal Opportunity Employer

HC is an equal opportunity employer and does not discriminate in awarding contracts or employment of persons because of their race, sex, age, religion, national origin, veteran, disabled or handicap status or any other characteristic protected by law. HC requires companies with which it conducts business to be equal opportunity employers and comply with all applicable federal, state and municipal laws and regulations regarding contracting and employment practices.

1.15 House Bill 1295

The Texas Legislature adopted House Bill 1295, which was added to Section 2252.908 of the Government Code. The law states that a governmental entity agency or state agency may not enter into certain contracts with a business entity unless the business submits a disclosure of interested parties (Form 1295). This disclosure requirement applies to a contract entered into on or after January 1, 2016.

If awarded a contract, the vendor may be required to complete and submit this form. HC will be unable to execute, and services cannot be performed until the process is complete.

1.16 Bid Protest Procedure

A vendor who has timely responded to an Invitation to Bid, Request for Proposal, or Competitive Sealed Proposal, but is not awarded the bid, has the right to protest the bid award if the amount of the bid is over \$100,000 in the aggregate. A protest must be made in writing and submitted to Administrative Services no later than five (5) business days after the award of the bid. The date of the bid award will not be counted as one of the five (5) business days. Any protest submitted after five (5) business days is untimely and will not be considered by the College.

The written protest must contain the following in order to be considered:

- (a) A specific identification of the statutory, regulatory, or policy provision(s) that the action complained of is alleged to have violated;
- (b) A specific description of each act alleged to have violated the statutory, regulatory, or policy provision(s) identified in "a" of this subsection;
- (c) A precise statement of the relevant facts;
- (d) An identification of the issue or issues to be resolved;
- (e) Arguments and authorities in support of the protest; and
- (f) An affidavit that the contents of the protest are true and accurate.

No amendments to the protest will be considered by the College.

Purchasing, legal counsel for the College, and/or a committee headed by and appointed by the Vice-President, Administrative Services, shall review the protest documentation and shall provide the protestor a final written determination regarding whether any statutes, regulations, or policies have been violated, the reasons for the determination, and remedial action to be taken, if any. This review and final determination may be made with the assistance of legal counsel. The written determination shall be made within ten (10) business days of the receipt of the protest, unless the Director of Procurement, or the designee, notifies protestor that additional time is needed. The decision shall be final.

1.17 Domestic Preferences for Procurement and Buy American Provisions

As appropriate and to the extent consistent with law, HC has a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United

States (including but not limited to iron, aluminum, steel, cement, and other manufactured products) when spending Federal funds. Vendor agrees that the requirements of this section will be included in all subawards including all contracts and purchase orders for work or products under this award, to the greatest extent practicable under a Federal award. (Purchases that are made with non-Federal funds or grants are excluded from the Buy American Act). Vendor certifies that it is in compliance with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must still follow the applicable procurement rules calling for free and open competition.

Contractor agrees not to suffer any mechanic's lien to be filed against the space or the adjoining facilities by reason of any work, labor, services or materials performed at or furnished to the space for Contractor. HC will provide utility services at existing outlets (heat, gas electricity, water and sewer) for the convenience of Contractor. HC will not be liable to Contractor, or any employee, subcontractor, agent, guest, or invitee of Contractor, for any loss, expense or damage either to the person or property sustained by reason of any condition of the space, or due to any act of any employee or agent of HC, or the act of any other person whatsoever, other than to the extent caused by the negligent or intentional acts or omissions of HC, its employees or agents, and to the extent allowed by law. It is expressly understood and agreed that HC does not, in any way, waive its sovereign or governmental immunity or the official immunity of its employees. HC expressly and affirmatively retains all immunity from suit and liability to which it or its employees are entitled under applicable law. Contractor agrees to pay on demand HC's expenses incurred in enforcing any obligation of Contractor under this license.

11. PRESENCE ON HC PREMESIS

- 11.1 Contractor agrees that it will ensure that all of its employees, subcontractors and agents whose duties bring them upon HC's premises will obey the rules and regulations that are established by HC and will comply with reasonable directions

HC's representatives may give to Contractor.

- 11.2 Contractor is responsible for acts of its employees, subcontractors and agents while on HC's premises. Accordingly, Contractor agrees to take all necessary measures to prevent injury and loss to persons and property located on HC's premises. Contractor is responsible for all damages to persons or property caused by Contractor or any of its employees, subcontractors and agents. Contractor will promptly repair, in accordance with the specifications of HC, any damage that it, or of its employees, subcontractors and agents, may cause to HC's premises or equipment. On Contractor's failure to do so, HC may repair the damage and Contractor will reimburse HC promptly for any and all reasonable expenses incurred in connection with the repair. At its option, HC may offset against all amounts due to Contractor any and all reasonable expenses incurred in connection with the repair.
- 11.3 Contractor agrees that, in the event of an accident of any kind, Contractor will immediately notify HC's Police & Campus Safety at (361) 220 - 1391 and thereafter furnish a full written report of the accident.

Lights are to be turned off when Contractor completes operations. At no time will Contractor permit an unattended room in the bookstore to remain unlocked or lighted. Contractor and HC agree that leaving doors unlocked and lights on after completing operations in the bookstore could result in the disruption of HC's business operations and the resulting harm is incapable of

being estimated or is difficult to estimate. Therefore, as a reasonable estimate of just compensation for the harm caused by leaving doors unlocked and lights on after completing operations in the bookstore, Contractor and HC agree that, if doors remain unlocked or lights remain on after completing operations in the bookstore, then at HC's option (1) Contractor will pay HC an amount equal to \$50.00 for each occurrence, or (2) HC may offset an amount equal to \$50.00 for each occurrence from any amounts otherwise due by HC to Contractor. - 14.4 HC is entitled (but not obligated) to cure any default of Contractor and has the right to offset against all amounts due to Contractor any and all reasonable expenses incurred in connection with curative actions.
- 14.5 In the event that this Agreement is terminated, then within thirty (30) days after termination, Contractor will reimburse HC for all fees paid by HC to Contractor that were (a) not earned by Contractor prior to termination, or (b) for goods or services that HC did not receive from Contractor prior to termination.
- 14.6 Contractor may terminate this Agreement without cause upon one hundred twenty (120) days written notice to HC.

If HC Records are subject to FERPA, (1) HC designates Contractor as a HC official with a legitimate educational interest in HC Records, and (2) Contractor acknowledges that its improper disclosure or re-disclosure of personally identifiable information from HC Records will result in Contractor's exclusion from eligibility to contract with HC for at least five (5) years. Contractor represents, warrants, and agrees that it will: (1) hold HC Records in strict confidence and will not use or disclose HC Records except as (a) permitted or required by this Agreement, (b) required by Applicable Laws, or (c) otherwise authorized by HC in writing; (2) safeguard HC Records according to reasonable administrative, physical and technical standards (such as standards established by (i) the National Institute of Standards and Technology and (ii) the Center for Internet Security, as well as the Payment Card Industry Data Security Standards) that are no less rigorous than the standards by which Contractor protects its own confidential information; (3) continually monitor its operations and take any action necessary to assure that HC Records are safeguarded and the confidentiality of HC Records is maintained in accordance with all Applicable Laws, including FERPA and any applicable provisions of the Gramm-Leach Bliley Act, and the terms of this Agreement; and (4) comply with HC's rules, policies, and procedures regarding access to and use of HC's computer systems. - 16.8 **Indemnity.** To the extent Contractor, its employees, agents, or representatives violate these confidentiality provisions, or cause HC or its employees', students' or board members' confidential or non-public information to be compromised, Contractor agrees to defend (with HC choosing defense counsel), hold harmless

18. **UNDOCUMENTED WORKERS** - The *Immigration and Nationality Act (8 United States Code 1324a)* ("**Immigration Act**") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("**I-9 Form**") as the document to be used for employment eligibility verification (8 *Code of Federal Regulations* 274a). It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. 22. **ASSIGNMENT AND SUBCONTRACTING** - This Agreement is a personal service contract for the services of Contractor. The Contractor's interest in this Agreement (including Contractor's duties and obligations under this Agreement, and the fees due to Contractor under this Agreement) may not be subcontracted, assigned, delegated, or otherwise transferred to a third-party, in whole or in part, and any attempt to do so will (a) not be binding on HC; and (b) be a breach of this Agreement. The benefits and burdens of this Agreement are assignable by HC.
23. **DAMAGES** - Contractor shall be liable for the loss of or damages to HC's property when such loss or damage arises from the negligent or unlawful acts or omissions of Contractor or its employees. The Contractor is responsible for reporting, in writing within seventy-two (72) hours of the occurrence, damage to HC property or personal property on HC premises. Failure to make report to HC of the occurrence, within the specified time, may be cause for termination of this contract.
24. **CHANGES TO THE AGREEMENT** - This agreement may not be modified, waived or amended unless mutually agreed to in writing by the persons who executed this Agreement or their replacements or designees.
25. **REPRESENTATIONS AND WARRANTIES BY CONTRACTOR** - Contractor warrants, represents, covenants, and agrees that it is duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization and is duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary power and has received all necessary approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor.
26. **LIABILITY OF CONTRACTOR** – Contractor understands, agrees and expressly warrants that all Work performed under this Agreement shall be the sole responsibility of Contractor and Contractor shall be solely liable for all such Work or services performed hereunder. It is further understood and agreed that HC shall not, under any circumstances, bear any responsibility or liability for the Work or services performed hereunder.
27. **FRANCHISE TAX CERTIFICATION** - If Contractor is a taxable entity as defined by Chapter 171, *Texas Tax Code* (“**Chapter 171**”), then Contractor certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Contractor is exempt from the payment of those taxes, or that Contractor is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.
28. **INCLEMENT WEATHER CLOSINGS** - Unless specifically requested by the HC Contact Person, Contractor's employees will not be required to work on days that HC closes due to inclement weather. Contractor must work closely with HC's Contact Person in deciding the appropriateness of scheduled work hours for Contractor's employees due to weather conditions.
29. **LOSS OF FUNDING** - Performance by HC under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the

“**Legislature**”) and allocation of funds by HC. If the Legislature fails to appropriate or allot the necessary funds, or HC fails to allocate the necessary funds, then HC will issue written notice to Contractor and HC may terminate this Agreement without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of HC.

30. **LIMITATIONS** - THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF HC TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE A PART OF THIS AGREEMENT, INCLUDING THOSE TERMS AND CONDITIONS RELATING TO LIENS ON HC'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; ON; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE “**LIMITATIONS**”), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON HC EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.
31. **ENTIRE AGREEMENT; MODIFICATIONS** - This Agreement supersedes all prior agreements, if any, written or oral, between Contractor and HC and will constitute the entire Agreement and understanding between the parties with respect to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by HC and Contractor.
32. **CAPTIONS** - The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.
33. **VENUE: GOVERNING LAW** – Johnson County, Cleburne, Texas, will be the proper place of venue for suit on or in respect to this Agreement. This Agreement and all of the rights and obligations of the parties and all of the terms and conditions will be construed, interpreted and applied in accordance with and governed by and enforced under the laws of the State of Texas.
34. **WAIVERS** - No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.
35. **BINDING EFFECT** - This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns.
36. **APPOINTMENT** - HC hereby expressly reserves the right from time to time to designate by notice to Contractor a representative to act partially or wholly for HC in connection with the performance of HC's obligations hereunder. Contractor will act only upon instructions from that representative unless otherwise specifically notified to the contrary.
37. **RECORDS** - Contractor agrees that HC, or any of its duly authorized representatives, at any time during the term of this Agreement, will have access to, and the right to audit and examine, any pertinent books, documents, papers, and records of Contractor (such as sales receipts,

salary lists, itemized expenses and disbursements, time reports, equipment charges, overtime reports, etc.), and related Contractor's charges incurred in its performance under this Agreement. Such records will be kept by Contractor for a period of four (4) years after Final Payment under this Agreement. Contractor agrees to refund to HC any overpayments disclosed by any audits.

- 38. **NOTICES** - Except as otherwise provided in this Section, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via registered or certified mail, overnight courier, confirmed facsimile transmission (to the extent a facsimile number is set forth below), or email (to the extent an email address is set forth below), and notice will be deemed given (i) if mailed, when deposited, postage prepaid, in the United States mail, (ii) if sent by overnight courier, one business day after delivery to the courier, (iii) if sent by facsimile (to the extent a facsimile number is set forth below), when transmitted, and (iv) if sent by email (to the extent an email address is set forth below), when received:

or to another person or address as may be given in writing by either party to the other in accordance with this Section.

- 39. **SEVERABILITY** - In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

40. BREACH OF CONTRACT CLAIMS

40.1 To the extent that Chapter 2260, *Texas Government Code*, as it may be amended from time to time ("**Chapter 2260**"), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by HC and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

40.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in Subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by Subchapter B of Chapter 2260, to HC in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of Subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the

specific contract provision that HC allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with Subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under Subchapter C of Chapter 2260. The Director of Purchasing and Contracts of HC, or the other officer of HC as may be designated from time to time by HC by written notice thereof to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

40.1.2 If the parties are unable to resolve their disputes under Section 49.1.1, the contested case process provided in Subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by HC.

40.1.3 Compliance with the contested case process provided in Subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, *Texas Civil Practices and Remedies Code*. The parties hereto specifically agree that (i) neither the execution of this Agreement by HC nor any other conduct, action or inaction of any representative of HC relating to this Agreement constitutes or is intended to constitute a waiver of HC's or the state's sovereign immunity to suit and (ii) HC has not waived its right to seek redress in the courts.

40.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

40.3 HC and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

41. ASSIGNMENT OF OVERCHARGE CLAIMS - Contractor hereby assigns to HC any and all claims for overcharges associated with this Agreement arising under the antitrust laws of the United States, 15 U.S.C.A., Sec. 1 et seq., or arising under the antitrust laws of the State of Texas, *Texas Business and Commerce Code*, Sections 15.01, et seq.

42. ETHICS MATTERS; NO FINANCIAL INTEREST - Contractor and its employees, agents, representatives and subcontractors have read and understand HC's Conflicts of Interest Policy available at <http://www.tasb.org/policy/pol/private/212501/pol.cfm?idx=C>. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause HC employees to violate HC's Conflicts of Interest Policy, provisions described by HC's Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board of Trustees has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

43. CERTIFICATIONS OF NONSEGREGATED FACILITIES AND EQUAL EMPLOYMENT OPPORTUNITIES COMPLIANCE - Contractor certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms, each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any

location under its control where segregated facilities are maintained. Contractor agrees that a breach of this certification is a violation of the Equal Opportunity clause. The term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, entertainment areas, and transportation or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Contractor further agrees that, except where it has contracts prior to the award with subcontractors exceeding \$10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Contractor will retain certifications for each one of its subcontractors in Contractor's files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding \$10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Contractor understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

44. **DEBARMENT** - Contractor confirms that neither Contractor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States ("U.S.") federal government Procurement or Nonprocurement Programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs (<http://www.epls.gov/>) issued by the U.S. General Services Administration. "**Principals**" means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor will provide immediate written notification to HC if at any time prior to award Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when HC executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to HC, HC may terminate this Agreement for default by Contractor.
45. **OFFICE OF INSPECTOR GENERAL CERTIFICATION** - Contractor acknowledges that HC is prohibited by Federal regulations from allowing any employee, subcontractor, or agent of Contractor to work on site at HC's premises or facilities if that individual is not eligible to work on Federal healthcare programs such as Medicare, Medicaid, or other similar federal programs. Therefore, Contractor will not assign any employee, subcontractor or agent that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General ("**OIG**") to work on site at HC's premises or facilities. Contractor will perform an OIG sanctions check quarterly on each of its employees, subcontractors and agents during the time the employees, subcontractors and agents are assigned to work on site at HC's premises or facilities. Contractor acknowledges that HC will require immediate removal of any employee, subcontractor or agent of Contractor assigned to work at HC's premises or facilities if the employee, subcontractor or agent is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: http://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp

- 46. ACCESS TO DOCUMENTS** - To the extent applicable to this Agreement, in accordance with Section 1861(v)(1)(i) of the Social Security Act (42 U.S.C. 1395x) as amended, and the provisions of 42 CFR Section 420.300, et seq., Contractor agrees to allow, during and for a period of not less than four (4) years after the expiration or termination of this Agreement, access to this Agreement and its books, documents, and records; and contracts between Contractor and its subcontractors or related organizations, including books, documents and records relating to same, by the Comptroller General of the United States, the U.S. Department of Health and Human Services and their duly authorized representatives.
- 47. NO SMOKING OR VAPING POLICY** – HC provides a friendly, smoke-free vapor-free environment at all of its campuses and satellite facilities. Contractor agrees to fully comply with HC's no smoking policy and to ensure compliance of same by all employees of Contractor or anyone else performing under this Agreement on its behalf.
- 48. FORCE MAJEURE** – The performance of either party's obligations will be suspended to the extent and for the length of time that the party is prevented from performing due to acts of nature, fires, governmental actions, changes in the Service requirements which directly contribute to a delay, or other events beyond its reasonable control. In the event of any occurrence that a party considers to be the cause of a delay or failure of performance, the party affected shall promptly notify the other party.
- 49. EXCLUSIVE RIGHTS** – Contractor shall continue to have the exclusive right, free from any alternate source endorsed, licensed or otherwise approved or supposed by HC (whether on campus, by catalog or through electronic commerce, including hyperlinks to alternate sources) to buy, sell, rent, and distribute (including the right to select vendors) merchandise and services traditionally offered through college and university bookstores, including but not limited: textbooks and other required course materials regardless of format, class and alumni rings and jewelry, clothing (whether or not emblematic), school supplies, desk accessories, gifts, souvenirs, graduation regalia (sale and rental) and announcements, course-adopted software, paper and electronic custom anthologies, and textbook buybacks. Contractor shall also maintain the right of first refusal to fulfill any distance learning instructional and ancillary materials required by HC during the term of this Agreement. This does not prohibit occasional sales by approved student groups or approved student government organizations that do not materially impact bookstore sales. Contractor will continue to support student groups and student government organizations interested in holding special sales as long as their sales do not materially impact bookstore sales.
- 50. INVENTORY AND PROPERTY LOSS** – Contractor will maintain responsibility for inventories and other properties damaged or lost while on display within the bookstore or in transit to and from the bookstore. Contractor will continue to assume responsibility for the loss of monies, checks and credit card collections, as well as inventory theft and robbery.
- 51. EXHIBITS** – Exhibits TBD are attached hereto and are incorporated herein by reference for all purposes as part of this Agreement.

IN WITNESS WHEREOF, duly authorized representatives of HC and Contractor have executed and delivered this Agreement effective as of the Effective Date.
