Final Exams will be administered during the final week of courses at the regularly scheduled meeting times. **Courses may require students to complete the final exam over the course of the final two meeting periods.** Students should check with instructors to ensure they are present for all portions of their final exam.

*Friday only courses can choose to administer the final exam the week prior; however, the final meeting time will remain the same as indicated in the college calendar.

1. A course day listed as R only indicates the course meets only on Thursday, TR indicates the class meets on both Tuesday and Thursday, etc.

2. If your course day and time is not listed in the schedule, then please contact your instructor for final exam date and time.

3. **For online courses, please check Schoology for instructions on how to schedule your final exam.**
